& sofa-bed
mechanism

hidden
& silent

The Silent Series mechanisms works its magic without disturbing sounds.

continuous
movement

It's a no-pitch, no-shutter system: the movement is always smooth and pleasant.

precise
regulation

The system is not constrained by any type of pitches, allowing to a more precise regulation than traditional mechanisms.

heavy duty
tests

A very resistant mechanism, tested under stress conditions at over 400 N/m.

Renato Nisi is an Italian leading company in the production and supply of materials and components for the upholstery and furniture industry.

The firm was founded in 1972 in Forlì, Italy, as an artisanal company and in a short time it became an household name among the Italian upholstery companies for the quality and originality of its products.

Renato Nisi constantly upgraded its own production facilities, by expanding in various stages its locations, and by installing technologically advanced machines to always have accuracy during the production process and to guarantee the state of the art quality for each single product.

All trademarks are registered by their respective owners. Renato Nisi is a registered trademark of Renato Nisi S.r.l. For the constant desire to improve our products and services or for variations due to manufacturing reasons, the specifications are subject to change without notice. The images are for presentation purposes and may not represent the choosen configuration. We accept no responsibility for typographical errors.
